

**March  
with all  
of us.**

**It's not skills that show  
who we are, it's our  
decisions.**

# Hey!

We are specialists in the production of assets for agencies, media centers and direct clients. Allowing you to use your resources in other tasks, saving time, costs and generating greater benefits. We rely on senior professionals, agile production and management methodologies, industry expertise.

## We offer

### COMPLEMENTARY OFFER

Expansion of the service portfolio, showing a more robust work group.

### WORK IMPROVEMENT

Accelerating speed and volume to market.

### CUSTOMER BASE EXPANSION

Reach more and better customers of different sizes by expanding service capacity.

### SOURCE OF INCOME

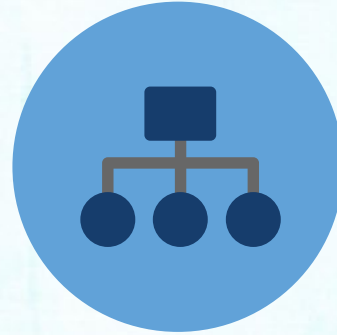

Increase net income with a higher profit margin.

**Make sure you put your  
feet in the right place  
and then stand your  
ground.**

# THIS IS THE WAY

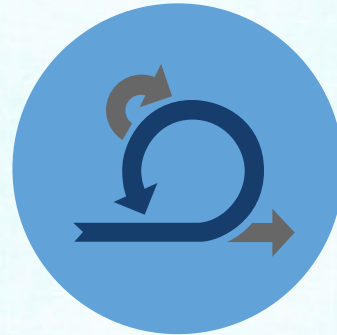

Through an experienced team made up of Account Director, Project Managers, Production Coordinator and the rest of the team. Communication can be via email or with a project management tool like Jira for example. It is in this collaborative process that we become an extension of the team.

## We provide

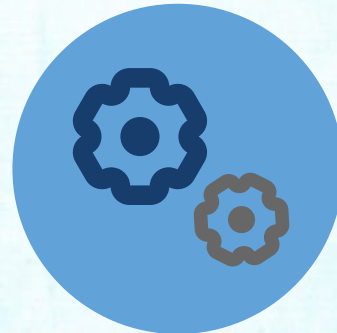

### STRUCTURE

We provide a comprehensive team, made up of 1 Project Manager + 1 Production Coordinator + 6 Design/Animation/Editing/Production profiles.

### METHODOLOGY

We aim at the development and growth of our clients and their own services. We do it by adding value through our knowledge, generating an advantage in production costs.

### PROCESSES

Reception of the material, being possible to use a Project Manager Tool >> Checking and set-up of the assets. >> In HTML5 or video assets, we make a master that is sent for approval of instances >> We produce all the assets.

**We were all endowed  
with a spark of  
madness...  
Don't waste it!**

# THERE ARE No days without NIGHTS

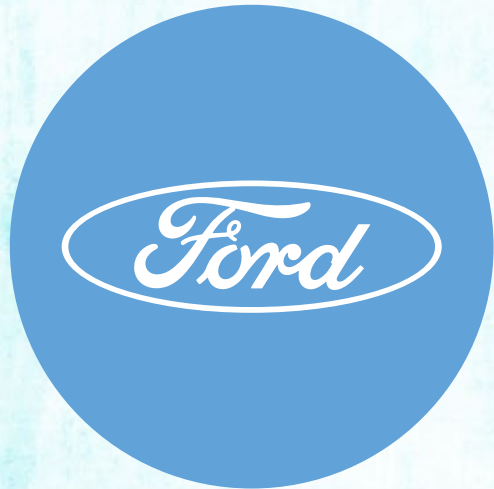

We work daily with Ogilvy Miami y Argentina, VMLY&R, MediaMonks, Indegene, TAG, La Fusión, Humo Rojo, Don Buenos Aires and more.

A person's hands are shown holding a glowing, golden orb. From the orb, a shower of bright sparks and particles is falling, creating a sense of magic and wonder. The background is dark with soft, out-of-focus bokeh lights in shades of blue and gold. The overall mood is one of hope and the beginning of something new.

**I feel that this is the  
beginning of a beautiful  
friendship**
